

### About Us

- All parents are members of the Parent Council.
- 4 Executive leads and 4 Sub-Committee leads form the core governance team
- **Our Mission:** Be informed. Be involved. Be the Magic!
- **Our Focus:** Support and enhance learning experiences of the students at NMS.
- **Our Strength:** Complementary Partnerships
- PAC promotes Volunteer Adventures, Fundraising Experiences, and Community Connections for all members.
- PAC supports small (\$10,000 or less) and large (\$10,000+) fundraising initiatives within yearly planning processes.
- PAC manages monthly and annual budgets and minimizes expenses where feasible.
- PAC recognizes multiple community fundraising initiatives; being mindful of donor fatigue, collaboratively fundraising with NHS PAC for the needs at both schools.
- 2019-2020 opening account balance = ~\$2000

### Niverville Middle School

Box 188, 161 5th Avenue South  
Niverville, Manitoba R0A 1E0

### Planning Priority # 1

#### *Support School Community Partnership programs*

- Provide funding, sponsorship and donation coordination for Student of the Month, Grade 4 Welcome, Grade 8 Farewell, and Staff & Student Appreciation programs..
- Provide funding for myBluePrint program.
- Provide sponsorship coordination for Tri-Track Fundraising team's portable BBQ, tank and tools.

### Planning Priority #2

#### *Support School Maker Space environment*

- The Maker Space, a brand new environment at NMS will require additional funding support for start up items not initially covered within school budget.
- PAC will provide up to \$500 of support in the first year until further needs assessment are complete for 2020.

### Planning Priority #3

#### *Support Funding and Sponsorship for Recess Equipment and Green Space needs >\$10,000*

- Fundraise to purchase and install outdoor items such as tennis court game painting, funnel ball post, outdoor balance beam, frisbee golf target, and fence chalkboards as approved by the school administration.
- Provide funding, sponsorship and donation support up to \$8,000.

### Planning priority # 4

#### *Establish an Active Learning and Green Space Account to accommodate future wish list*

- Establish a long-term savings account with an initial \$2000 deposit for the purposes of large green space funding initiatives.
- Establishing an account widens the scope for grant writing applications and seeking sponsorship in prep for any build.
