OR use form attached to email.

Choose: Niverville Middle School Parent Council as the organization name.

Order pick up will be December 14th, 2022 at the Son City building, across the street from NMS.

****If there are parents that are able to help on December 14th for the sorting and handing out of orders, it would be greatly appreciated!****

Student of the Month

October Prize: Dairy Queen. We love being able to reward the students every month with a prize, and this absolutely cannot happen without the support of the businesses in town and the parents that support us. We are looking for donations (approved items or monetary) that can be used for prizes for the students. Your donation helps us bring joy to our students and encourage them to be the best students they can be!

E-transfers can be accepted by email at: nms58parentcouncil@gmail.com

Want to see improvements to our outdoor active play space?

We are excited to be partnering with the Student Leadership group at NMS to get their ideas on how we can improve the green space. Some great ideas from the students were: Benches, Trees, Garden Boxes, Sand for Volleyball court, Basketball court and Running Track. We are also hoping to start a long term fundraiser for a play structure!

If you are Interested in design, estimate research, grant research, or grant writing, or are able to donate, please let us know! We could use all hands on deck to initiate these projects and turn the vision into a reality.

Staff Appreciation

We are looking for monetary donations for our staff appreciation day.

On December 20th, 2022, we will be providing lunch for all teachers & support staff as a giant THANK YOU for all of the time they spend making our children's days full of learning and joy.

This is a yearly tradition, and we rely heavily on our community in order to make this happen. It is a nice way to thank the staff for all their hard work and we know that the staff really look forward to being blessed (and not having to pack their own lunch!).

Would you like to donate or help? Have questions? Please let us know!

PAC Update

PAC is looking for parents to join the team! Specifically, **we are looking for a parent to take on the treasurer role.** If you have interest in helping, please contact us here: nms58parentcouncil@gmail.com

Parent Council helps to organize events that create fun experiences for the students, ensure the staff & teachers are appreciated, and fundraise for school improvements, like green space, student of the month, and more!

Our next in-person meeting is January 9, 2022 at 6pm at NMS. Communication is ongoing within the team via Slack (a messenger app).
