We ran a contest for the most sales and the winners are:

Class with highest sales: **Kailyn Dunn's 5D class! Winners of a pizza lunch!**

To claim your prize, please talk to Mr Cumming!

Fundraisers

Fundraising Goals:

This year, our goals remain enhancing the green space for all students, as well as a longer term goal of installing a play structure! Stay tuned for further updates on this!

November Fundraiser

New to our school this year we will be running the Big Box fundraiser. Students will be selling "The Big Box of Cards" which contains 35 **birthday** cards for the low price of \$35. This will run November 3 - 20th! We will be passing out the cards and order information soon!

Donations

We will be looking for some larger donations to put towards the play structure! If you own a business, or know someone who does, and they are looking to support their local Niverville Middle School, please let us know and we can provide a donation ask letter.

Student of the Month

Thank you to Pita Pit for the October gift for Student of the Month! We love being able to reward the students every month with a prize, and this absolutely cannot happen without the support of the businesses in town and the parents that support us. We are looking for donations (approved items or monetary) that can be used for prizes for the students. Your donation helps us bring joy to our students and encourage them to be the best students they can be!

PAC Update

PAC has a full team this year! We have 10 amazingly dedicated Moms on the team, ready to support the students and staff at NMS.

PAC exists to help organize events that create fun experiences for the students, ensure the staff & teachers are appreciated, and fundraise for school improvements, like green space, a play structure, student of the month, and more! We also love to give back to our teachers and staff.

*If you have interest in joining, or helping with a certain event, please reach out and let us know. We meet monthly on the first Monday of every month with the occasional gathering. Please contact us here:

Our next in-person meeting is November 6, 2023 at NMS

If you're looking to read meeting minutes, please contact us and we can provide them for you.
