raising the bar

The Niverville Middle School Playground Project aims to establish a vibrant and inclusive playground that serves as a central recreational hub for our school community. This playground will accommodate children of all ages and abilities (ADA Compliant), ensuring that every student can enjoy the space safely and comfortably. As a publicly accessible facility, the playground will provide free recreational opportunities, promoting active living and encouraging families to come together for play and social interaction. Sustainability is a priority, with the project incorporating eco-friendly materials and practices to ensure that the playground is not only enjoyable but also environmentally responsible.

Involving community members in the building process will engage our partners and bring the community together. The playground initiative is a costly endeavor and we have a strong start to our fundraising campaign, but we need your help! We are hopeful that the wonderful businesses in our community, such as yourself, may consider a monetary contribution towards our project.

How to donate

For monetary donations \$100 + requiring a charitable receipt:

Please write a cheque to: Hanover School Division with “Niverville Middle School Donation” in the note. Then, please email us with your full name and mailing address so we can provide this to HSD. HSD will send your tax receipt to NMS and we will get it to you.

For donations of product or time:

Please email us describing your contribution, and someone will be in touch with you from NMS Parent Council.

Thank You

We appreciate a sponsorship in any amount. If you are willing to contribute an amount not listed above or if you wish to donate materials or time during our build, we would very much appreciate your contribution. We would be happy to discuss ways in which your contribution can be recognized.

If you prefer to remain anonymous to the public, we would be happy to respect that.

Your contribution is crucial to improving recreation within our school community and this would not be possible without you!
